

# ***ENDORACTOR®***

*New Ideal Endoscopic Sponge  
for Retraction of small intestine*

---

24cm

Type J  
20cm

**KAWAMOTO CORPORATION**

OSAKA • JAPAN

## Features

### No need of removing organs by an extreme head down position

"ENDORACTOR<sup>®</sup>" enables the surgery in a nearly horizontal position and reduce the risk.

### Reduce stress of surgeons from descent of organs

Using "ENDORACTOR<sup>®</sup>" secures a good surgical field during operation once excluded and reduce the stress of surgeons.

### Enables wide range exclusion of organs

Swells approximately 9 times.

### Reduce risk of damage of organs

Less tissue trauma made from cellulose material and reduce risk of damage of organs compared to other retractors.

### X-ray detectable

Reduce risk of internal residue.

### Wide center & curvature design makes effective exclusion of the small intestine.

(for Type J 20cm)

## Description

### ENDORACTOR<sup>®</sup> 24cm

Size : 240mm × 8mm × 8mm

Before swelling

Absorbency  
Approx.  
150mL

Size : 260mm × 72mm × 8mm

After swelling

### ENDORACTOR<sup>®</sup> Type J 20cm

Size : 200mm × 8mm × 8mm

Before swelling

Absorbency  
Approx.  
80mL

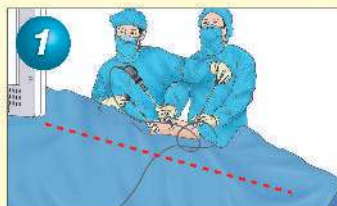

Size : 210mm × (60/40)mm × 8mm

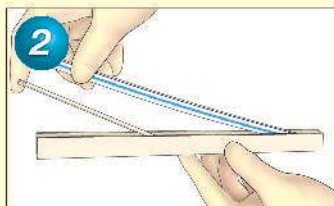

After swelling

Material : Sponge (Cellulose 100%), X ray detectable agent (Polypropylene, Polyester, Barium Sulfate, Blue pigment)

## Use Procedure

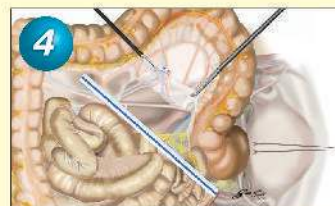

1 Place a patient in a head-down position or other necessary position to exclude organs other than the target.

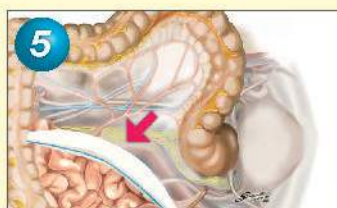

2 Take out the product from the sheath.

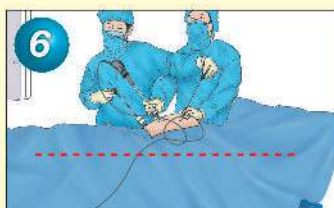

3 Insert the product from a trocar with diameter not less than 12mm.

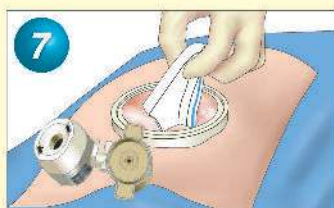

4 Place the product at an appropriate location.

5 Spray physiological saline to the product to swell, and exclude organs other than the target to secure the surgical field.

6 Return the patient's position to a nearly horizontal position and conduct a surgery.

7 Make a small incision and take out the product from the body cavity.

Code No.	Item	Spec.	Packing
088-480000-02	ENDORACTOR	24cm	1 pc/pack, 6 packs/box, 2 boxes/carton
088-480010-02	ENDORACTOR	Type J 20cm	1 pc/pack, 6 packs/box, 2 boxes/carton
